

PASINDU PIYUMIKA

ASPIRING UI/UX DESIGNER

I'm a 3rd-year MIS undergraduate at NSBM Green University, passionate about UI/UX design and frontend development. I create intuitive designs using Figma, showcased in my portfolio and LinkedIn. I'm seeking an internship to apply my skills, gain real-world experience, and collaborate with creative teams. With a problem-solving mindset and eagerness to learn, I aim to become a leader in crafting user-centered digital experiences.

UI/UX PROJECTS

- **Spa Ceylon** – Luxury Wellness E-Commerce App for Spa Ceylon **Apr 2025**
Designed a cross-platform mobile app to provide interactive space exploration and educational content. Focused on intuitive navigation, engaging visuals, and seamless user interaction.
- **SoilBoost** — Fertilizer Distribution and Buying Web Application **Mar 2025**
Designed a user-friendly web platform to simplify fertilizer purchasing and tracking for farmers and suppliers. Enhanced accessibility and transparency in the agricultural supply chain.
- **EventHub** - Event Planning & Event Ticket Booking web Platform **Feb 2025**
Designed a web platform for event creation, management, and promotion. Provides a smooth, hassle-free ticket booking experience. Suitable for concerts, conferences, and workshops.
- **Combank Digital** Mobile App Redesign **Dec 2024**
Redesigned ComBank Digital app for cleaner UI and better navigation. Researched user needs and industry trends. Delivered a modern, intuitive banking experience.
- **Sri Lanka Railways** Website Redesign **Jan 2024**
Redesigned Sri Lanka Railways website to improve usability and accessibility. Focused on modern UI, clean navigation, and mobile responsiveness. Delivered a streamlined, user-friendly experience.
- **T-Easy Pay** - Mobile Train Booking & Train Tracking Platform **Sept 2023**
Designed a mobile UI for a train booking app addressing queues and delays. Included live updates, QR e-tickets, and seat selection. Focused on simplicity and usability.
- **Heal ME** - Mental Healthcare & Fitness Tracking Mobile Platform **Jul 2023**
Designed a mobile UI for mood tracking, journaling, and counselor support. Includes real-time help and fitness integration. Helps users manage mental well-being anytime.
